BRIEF ABSTRACT OF LETTER

Forwards Resolution dated 14.5.62 of the Corporation to grant a site measuring 140 x 100 to Sri Bhaskara Kshetra Vidya Samsthana for the construction of a hostel building

NOTES AND ORDERS

A Sketch of the Site proposed to be granted is enclosed

2) The Site is proposed to be given to the Samstha at an upset price of Rs 2/- per Sq. yd. which works out to Rs 3,111/-, Requiring Sanction of Govt under the amended provision of Sec 73 (6) of the Corporation Act

3) The encroachments proposed on the

the Councils letter for the grant are a sufficient guarantee against its alienation or diversion to other purposes

4) There is a very costly tope of land situated on the important Cocoa Key opposite to the Mysore Spinning and Weaving Mills facing the River pale. Hence before the site is granted, it may be desirable to further verify the capacity of the Sangha to put up the hostel building according to the plans and design to be approved by the Corporation and whether adequate funds have been set apart for the purpose and if so how much. It may also be further ascertained whether this is a recognised and registered Sangha as this is a factor which would establish the genuineness of the avowed object of constructing a hostel and to determine whether the grant of a site by the Corporation at such a highly concessional rate to them is justified

5) The hostel is intended for the benefit of a particular

Sect and it therefore requires to be considered whether on the next set up such a grant is practicable

6) The Dowgha is prepared to spend a heavy amount on the construction of the ~~hostel~~ hostel.

The relief to be got by the grant of the site at one upset price may not be substantial when compared to the amount to be spent on the construction, while the remunerative effect of allowing such concessions may prove prejudicial to the finances of the Corporation. Grant to denominational and Sectarian institutions also ~~raises~~ raises a question of policy and

Ans 21/6/52 8) In a similar file pertaining to grant of a site to a Communal Hostel at Mysore, the Education Secretary and Law Secretary have agreed that grant of sites to Communal hostels may be treated as for a Public purpose Therefore that question need not be taken up again

Sub Grant of a site to the Mysore State Sambukula Kshatriya Sangha for the construction of a Hostel building

---

In enclosing herein a copy of letter No A5 Pr 134/52-53 dated 24th July 1953 received from the Commissioner, Corporation of the City of Bangalore, on the subject referred to aoove, I write to bring to your kind notice that it unfortunate that Govt should have impose a condition of recovery from the Sangha a deposit of Rs 25,000 as a prerequisite condition for allotting a site for the hostel which has to cater to the needs of the poor students of the community While the Govt are endeavouring to promote the welfare of the Backward classes by giving all possible facilities and at a time when a reorientation of the educational ideals and concepts are accepted as essentials is it too much to ask and expect a grant of a free site to a Sangha which is enthusisstic for the upliftment of its members in the educational and economic fields so that they might be better citizens of the welfare State You are aware, Sir, of the good work done by the Sabha all these years and their intentions to carry further the traditions of the past with greater vigour The condition now imposed will stifle rather than stimulate the kindliest and philanthropic attitude of the members and friends of the Sabha and undermine their enthusiasm

I request you, therefore, to use your good offices for this noble cause and recommend to Govt for the withdrawal of the condition of making an initial deposit of Rs.25,000 and for kindly granting early a site near the Sirur Park, Malleswaram, on the same conditions as given to other charitable institutions

Respected Sir,

Subject Grant of site to the Mysore State Sambukula Kshtriya Sangha for the construction of a Hostel Building.

With regard to the above grant, I most respectfully beg to state that the Corporation was pleased to grant a site for the said Sangha for the purposes of constructing a hostel for this backward community in the State. As at present there is no hostel facilities at all for the boys belonging to this community When the subject

I most respectfully beg to state that at present the cost of the site comes to Rs.3,112/- which amount we have already collected and kept in deposit The proposed hostel on the site will come up in instalments by public donations which will ultimately cost Rs.25,000/- and if we are now called upon to deposit this amount of Rs.25,000 into the Corporation Treasury the very object of our purpose will become frustrated

Respected Sir, on behalf of the Sangha I may assure your goodself that except to cater to the needs of the poor students of the community and to promote the welfare of the backward classes the building will not be used for any other purposes. Further, we have to collect this grant from going door to door.
